

4-SQUARE BLOX

Reduce injuries on the playground and make installation easier with this recycled rubber tile. Its larger size "looks" like 4 individual square tiles which means there are less tiles to put into place.

A member of our BloX Mat Series means that this product features:

Impact & Spike resistant / Indoor-outdoor / Easy to install / Comfortable / Noise protection / Wear resistant / Maintenance free / Easy to replace / Skid resistant / Heat insulating / Non-flammable
