

CHAMPION SPORTS MAT

Popular rubber mat can be placed in problem areas or do an entire floor by laying side-by-side. No adhesive required, as the weight of the mat holds it in place.

- Use in temporary or permanent applications
- Gives added floor protection where needed
- Use in “drop” areas or cover entire floor

Applications: Weight rooms, ice rinks, golf clubs, industrial applications, anti-fatigue areas , even in animal care facilities—stalls

Made of: Rubber

Thickness: 3/4" and 1/2"

Weight: 100 lbs (3/4") and 65 lbs (1/2")

Size: 4'x6'

Design: Embossed surface, smooth underside

Installation: Loose Lay; Butt several together to cover a large area

Color: Black
