

EASY FOOT—SAFETY

Tough, durable, closed-cell vinyl sponge provides a comfortable surface to stand or walk on. This matting is ideal for industrial or counter areas. It also insulates against noise and temperature. Unitary skin resists impacts, traffic and spills.

- Yellow border creates a visual safety barrier
- Improves productivity by reducing fatigue
- All standard size mats/rolls come with beveled edges for safety
- Pebble embossed surface

Applications: Industrial workstations, walking areas, behind counters, checkout stands, production areas, assembly lines, mail sorting areas, shipping/receiving areas, customer service areas
