

# POOLSIDE

Fashionable carpeting designed for use around wet or drainage areas. Unique PVC "knob" backing allows water to drain through, leaving it virtually dry at all times.

- Comfortable to bare feet
- Resistant to fading, fungus, bacteria, salt, and pool chemicals
- Indoor / outdoor

**Applications:** Around pools, saunas, locker rooms, hot tubs

**Made of:** Needle-punched polypropylene fiber

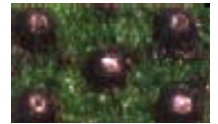

**Thickness:** 5/16"

**Weight:** 3.25 lbs/square foot

**Size:** *(Rolls and custom lengths available)*

Standard rolls: 78"x70'

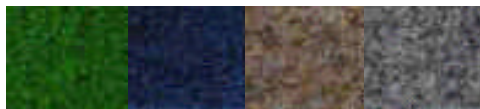

**Design:** Non-directional plush carpet with "knob" backing

**Installation:** Loose Lay or adhere down

**Colors:** *(listed in order of appearance; request sample for true color representation)*

Green, Blue, Driftwood, Silver
